**SECTION: Medical kits & Tailor-Made kits**

## Medical kits

### Medical kits.

We supply custom designed Medical kits, which fulfill the requirements of our customers.

Our standard kits, which is designed for specific purposes. e.g.

- Midwifery (Medical Kit) or
- Abdominal (Surgical Kit)

is made according to UNICEF specifications.

Details about content, quantities, weight, volume etc. upon request.

In addition to supplying standard kits, we also offer customer-designed kits.

## Taylor-made kits

### Tailor-made kits

The ability to customise products, solutions and services to each customer's specific needs is one of our competences.

Our flexibility and commitment enable us to offer a variety of tailor-made kits, among others, e.g. special products, labelling, bundling etc.

We will create a balance between product quality, general kit quality, costs and on delivery time - in co-operation with our customers.

Do not hesitate to contact us if you need assistance to design just the right kit for your needs - or if you would like to receive a quotation.
